Bud Light Matchgames

Tournament Rules

The Bud Light Capital City Matchgames is certified by the United States Bowling Congress. The tournament will be conducted by USBC rules. All participants must hold a valid USBC certification card.

Non-USBC members may participate by paying a \$5 participation fee.

Entrants will bowl 6 games of qualifying, moving lanes after every game. Odd lanes will go left, even lanes will go right. The scoring system will randomly assign the lanes.

Match game finalists will be determined after the qualifying rounds, using the scratch scores of each bowler. The top 8 qualifiers (or top 10 qualifiers if more than 76 entries) will advance to the round-robin finals. Qualifying scores will not be carried over to the finals. The top qualifier will receive a bonus of \$100.

Finals format;

- ◆ Each finalist will bowl a one game scratch match against all other finalists in a round-robin format. The final match will be a position round.
- ◆ The winner of each match will receive 30 bonus pins for a win. Tie matches will award 15 bonus pins to each player in that match.
- ◆ The lanes will be reconditioned during the break between qualifying and round-robin.
- ◆ Final position standings will be determined by scratch score, and bonus pins, after the round-robin matches and position round.

All prize money returned 100%. 1:4 entries will cash. Added prize money made available by Sun Valley Lanes and Double Eagle Beverages of Lincoln. Entries accepted until 8:30am the day of the event, or until the tournament fills (80 maximum entries), whichever comes first.

Any disputes not covered herein, will be determined by the tournament director.
