## 2019 Pro Am Rules

### Format:

Each amateur will bowl one game of each of the following game types: HyperBowl, HyperActive, 9-pin no-tap, Traditional 10-pin.

### Games:

**HyperBowl:** Hit moving multiplier targets and watch your score grow!

**HyperActive:** Take aim at randomly changing multiplier targets to increase your score. Avoid the red "Buster" target!

**9-pin No-Tap:** Ten-pin bowling with a twist. Knocking down 9 on the first ball will give you credit for a strike. Handicap is 80% of 230.

**Traditional 10-pin:** The standard bowling format that we all know and love, with handicap being 100% of 230.

### Average:

Bowlers will use their highest 2017-18 USBC certified average. If not applicable, Sun Valley Lanes reserves the right to assign bowlers an average based on industry standards and reasonable expectations.

### Entry Fee:

Total - \$40.00 (\$10.00 lineage; \$15 expenses, \$15.00 prize fund)

### Payout:

For every 8 entrants, 1 cash place will be paid. Total prize fund will be split evenly between all four game types and payouts will be distributed accordingly, based on individual game scores.

Youth Bowlers: Any youth bowler will have their winnings awarded to their SMART account.

### Entry Deadline for Shirt and Ball:
